

Gas Leaks

Gas leaks are initially dealt with by **TRANSCO**. If you think you can smell gas, please follow the following steps:

- Put out any cigarettes or naked flames
- Check you have not left a gas tap or cooker on
- Turn off your gas supply at the meter
- Open doors and windows to let the gas out
- Do not use electrical switches, doorbells or a naked flame
- Do not use a phone in the property – it can cause sparks. Ring TRANSCO emergency telephone number: **0800 111999**
- Transco will make your home safe and advise you what to do next
